### **3. After school club in autumn term 2015 provided by Kidzin2sport.**

#### **Impact**

- Targeted Year 3 children with dodgeball sessions.
- Contributes to the development of healthy lifestyles.
- Children report (pupil questionnaire) that they like the sports being provided after school.
- Parents report (parent questionnaire) that they appreciate sports activities being provided by the school after school.

### **4. Purchased additional P.E resources. (table tennis equipment, nets and goals, athletics equipment, cricket and rounders equipment. Team kits for football, girls football, netball, cricket and rounders teams.)**

#### **Impact**

- Table tennis equipment has encouraged further participation and have resulted in Hollin hosting a table tennis tournament. The equipment is also used to keep children active during wet lunchtimes.
- The purchasing of athletics, cricket and rounders equipment has encouraged further participation and has resulted in Hollin children being able to participate in athletics, cricket and rounders competitions. In addition, the equipment has ensured that we have high quality resources in place for Sports Days.
- The purchasing of team kits has encouraged further participation and has resulted in Hollin children being able to participate in cricket and rounders competitions for the very first time.
